**The Real Me:
Awakening Your True Self**

To achieve true success and happiness, you must first feel your present emotions and allow these feelings to move through you. As you discover the "theme" of your emotions, a new level of healing begins. This "Awakening Process" teaches you to respond versus react to your world. As you improve your life, the most important relationship you heal is the one with yourself.

Featuring the "Seven Aspects of Spiritual Awakening," *The Real Me* guides you to create healthy beliefs and positive self-talk about your true self in the form of positive affirmations. Being open to life's experiences frees you to live more consciously as you achieve true success, happiness, and as you return to the inner peace within your real self. This inspirational book truly empowers your life as you live your dreams!

Sandra Agazzi Chimenti, M.Ed., is an author, musician, parent, presenter, and educator with a master's degree in Early Childhood Education. She is the host of the new cable show "Discover Your Power to Succeed!"

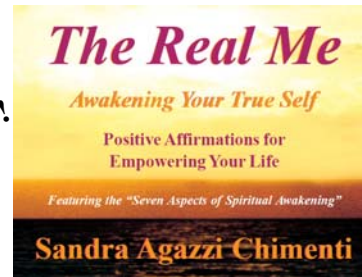

In her book, *The Real Me*, Sandra shares many of her inspirational thoughts and experiences with those who are also on their spiritual path of renewed health and healing.

Sandra shares her original piano music compositions at her spiritual-empowerment presentations. Through her empowering books and music, she inspires you to live your truth, love your life, and embrace each new day with positive affirmations like, "I now honor the *real me*." ♥ ~ 😊 ~ ♥
