Don't Miss This!!!! The Real Parent: What You Know Will Empower You

Thursday, November 8, 7:30pm – Multipurpose room – Rel. Ed Office

Children don't come with instructions! What are parents to do? Sandra Agazzi Chimenti, M.Ed., author, educator, and owner of "Growing Parents," shares successful parenting approaches that build the parent/child relationship. Through respectful communication, positive discipline, self-reflection, creating family goals, and knowing about learning/parenting styles, you will discover the best parenting approaches for creating an enjoyable experience with your children at any age. Come with questions; leave with answers. All are welcome: Parents (new and seasoned), single parents, grandparents, educators, and adults looking to improve their relationship with their parents.
